

WASTE MANAGEMENT PROGRAMME

- Please separate all household **ORGANIC MATTER** and dispose of this within your share footprint or add this to the compost heaps behind the stables.
- Please separate your remaining waste into the following categories:
TIN: Tin foil and foil food containers, tins, cans, and metal.
GLASS: All glass items.
PAPER: Cardboard and paper.
PLASTIC: Polystyrene and ALL forms of plastic including cling-films.

IE: Old plastic pots, meat and vegetable trays, olive sachets etc.
- Please place these into their relevant, labelled compartments at the Mbona refuse site, located opposite the hatchery below Lake Crystal dam wall.

Mbona Recycling Bins

- **RINSE** all food packaging before depositing it into its designated compartment.
THIS IS THE MAIN REQUIREMENT PLEASE!
- If you use plastic bags then please use only **CLEAR** plastic bags, obtainable from the office for R200 for a pack of 200 bags.

- **NON-RECYCLABLE:** This should leave a minimal amount of waste that must be put in landfill. Please put this in the bins provided.
- **NAPPIES** must be removed from the Reserve and deposited at the Howick dump on Curry's Post road or taken home.
- **ONLY GARDEN REFUSE** may be placed on the Organic Waste pile at the refuse area. Nothing else please!
- **FLORESCENT TUBES** should be put into the blue steel drum provided at the refuse site.
- **OLD OIL AND FUELS** can be added to the large container at the workshop, if this is not accessible please leave your container outside the workshop gate.
- For those who cannot dispose of **LANDFILL ITEMS** such as **OLD APPLIANCES OR BOATS**, the area behind the refuse building may be used to store such items, until management removes them to the Howick landfill dump.
PLEASE ARRANGE WITH MANAGEMENT PRIOR TO PLACING ITEMS IN THIS AREA.

MANAGEMENT THANK YOU FOR YOUR CONSCIENTIOUS CO-OPERATION
